

Owl Harbor MARINA

May 2022

Whoo News

Boating Kit's Now Available

Come in and get your boating kit filled with great boating tools.

1. Oil Absorbent Pad
2. Oil Absorbent Pillow
3. Fuel Bib
4. ABC's of California Boating
5. Environmental Boating Laws
6. California Boating Green
7. Tide Book

This is a great tool for starting your summer season.

Magical May

Kicking off May with a celebration to all the Mother's out there. It would be a perfect day to take them out on the boat with a picnic and let them relax in all the peace and tranquility of being on the water.

At the end of the month, we get to start our monthly celebrations of summer bliss, Memorial Day. This gets the juices flowing to being on your boat and on the water more often. It's a time to explore the mass waterways of our Delta. If you need ideas, come see us in the office for suggestions and favorite anchorages from our friends here at the marina.

Looking to upgrade, or unload, your boat. We have some great vessels here that are for sale looking for their new owner. If you are looking or have questions, please check with us in the office for current updates. Or view the notice board, across from the ice box, for listings. They may not all be up there, so double check with us.

Looking forward to a magical summer season with you,
Devery and Max

Current Events and Updates

May 8th - Happy Mother's Day

May 30th - Memorial Day

June 17th - 19th - Owl Harbor Cruise Out/Summer Sailstice

What's Coming Up.....

San Joaquin Asparagus Festival

Friday, May 6 to Sunday, May 8
1658 S. Airport Way, Stockton

Enjoy the Delta's finest foods in the Asparagus Festival! Not only will asparagus be the star, but this year will also feature potatoes! Enjoy several food vendors from asparagus ice cream to artisan goods. Alongside food are the carnival, scholarship pageant, and more!

The California Department of Water Resources (DWR) will be conducting Airborne Electromagnetic (AEM) surveys in multiple locations throughout the Delta. During an AEM survey, a helicopter tows electronic equipment that send signals into the ground which bound back. The data collected will be used to better understand the underground geology and assist state and local agencies with groundwater management. The survey helicopters will fly about 200 feet above ground and carry the equipment about 100 feet above ground. AEM data will not be collected over urban or residential areas and structures containing people. We were pretty excited to view this first hand on April 5th. For more information visit: DWR's [AEM webpage](#). For questions, send an email to AEM@water.ca.gov.

Storage Unit

We currently have a 5 x 8 storage unit available. They do go fast, so if you are interested, check in with the office.

Unit is \$45.00 a month and \$45.00 security deposit.

Join in the fun with Summer Sailstice - Owl Harbor Style

Join us and Celebrate Sailing on Summer Sailstice 2022

Members of Owl Harbor Marina are invited to join the global sailing community for the 21st annual Summer Sailstice - June 17 - 19, 2022.

Friday, June 17th starts our departure from Owl Harbor out to our favorite anchorage. We will have a casual potluck aboard a special vessel, so come prepared with your favorite dish to share.

Saturday, June 8th we will spend the day in the water, visiting, napping, reading, and more. That evening, we will have a potluck on yet another special vessel.

Sunday, June 19th we will head back to your home port having spent a wonderful time with incredible people. Making memories and making new friends.

Let's put Owl Harbor Marina's fleet on the map!

Please RSVP by signing up and joining our Summer Sailstice event here:

<https://summersailstice.com/event/owl-harbor-marina-cruise-out-1>

By signing up at Summer Sailstice you not only joining a great event, you also help publicize the best of boating and become eligible to win from an incredible pool of prizes: www.summersailstice.com/prizes

After you sign up on the Summer Sailstice site, **please check in at the office** so we can get a little more information:

1. Who's coming
2. What you are bringing - Friday night or Saturday night
3. If you would be interested in hosting the dinner.

To make it easy on the hosts, please bring plates, silverware, and drinking cups to each dinner. This helps reduce stress on the hosts as well as lessen the amount of trash we make.

If you have any questions, please see Devery and we will get them answered.

Saturday, June 18th marks the 22nd anniversary of Summer Sailstice; a global holiday celebrating sailing. Each year thousands of sailors participate by racing, cruising or daysailing across all 50 US states and around the globe, sailing 'together' wherever they are in the world.

You also have the opportunity to join the sailing community in preserving the world's oceans by contributing to Sailors for the Sea.

About Summer Sailstice

Founded in 2001, Summer Sailstice is the global sailing holiday celebrated on the weekend closest to the summer solstice. Founded on the basis that the non-sailing public doesn't really understand sailing and most public awareness comes from events or tragedies that don't accurately represent sailing (America's Cup, Thurston Howell III, etc), Summer Sailstice was created to unite, celebrate and showcase life under sail, and be a lot of fun. Every year Summer Sailstice unites over 20,000 sailors across the oceans to celebrate and showcase life under sail.
