As we welcome this New Year, may we take a moment to reflect on 2022. I'm sure we all had some highlights, some lowlights, and a few "no lights". When I look back, I feel like we just celebrated the start of Summer. The garden in full swing, chickens laying golden eggs (well, not really, but now days they may as well be). We worked around the property adding some new interesting finds; Julie's Rose Garden, the new large carport and the remodeled, and improved, smaller carport. Many of us had our boats hauled out with success and improvements. We had a wonderful Summer Sailstice Cruise Out with more boats than ever before. Our A dock created a new gathering for not only their dock, but others invited for Memorial Day. We revamped the community gardens, the OH crew (all but two) participated in COVID, we had our best Nautical Swap Meet, our best Owl Harbor Roaring Day in the Delta party and dingy poker run. We had a number of yacht clubs come in, and the Westsail Group celebrated in style using the clubhouse. A very fun Halloween party with, yet another, dancing skit that was over the top great. Ending our year with our Annual Holiday Potluck and, again, a big first - a great storm with 45 mph winds, and no power - and wow, what a large group of great people that came and enjoyed our efforts none the less. A big highlight for me was taking a sailing class with Modern Sailing in Sausalito, with my long time friend, Jeni (who lives here at the marina), and learning to sail.

Even with some of the "lowlights", it was a truly blessed year and I know 2023 will continue to fill our souls with joy, friendship, and of course, lots of laughter and love. May yours be filled the same.

My best to you, and thank you for being here,
Devery

Annual Holiday Party

What a fun time considering the power went out 10 minutes after the party started, and come back on after the party was over. We had an incredible group come out with the rain and wind, and enjoy in the holiday spirit.
